Dear Mam & Dad

I hope you are all fine, I have no words
my words are only words of thanksgiving
and blessings

I really thank you to what you do to me
I never think that I will have a computer in
my life, I just use to dream that if I
have a computer but you make a good think
May God bless you. To the kindergarden
materials, me I will never say anything you are
really answering my need my kindergarden now
it's really a kinder that I never dream of that
it maybe look like this plus my kindergarden kids.

Thank you mam & dad for helping us my prayer
is that may God to bless you more than this, you
have and I wish you more years to live and all
the best in all what you do with you project.

Thank you for the greatest love that you are
sharing with us, we Okaokaland people. To my
side I say may God be with you in your living
life.

URS

My last words I'm requesting you that it's
possible that you can change my Computer in English?
by Friday I'm going to oshakati to the funeral

of one of brothers daughter passway after
delivering and the baby is alive and is a girl.
by monday is when I will be back from
oshakati

Thank you

your daughter
